Please can you tell us about your previous studies in astrology?

<i>Name of school or college:</i>
<i>What was the level of the course?</i>
<i>Have you passed any examinations?</i>

If you have not studied with astrologycollege.com, could you please answer the following questions?

Please delete YES/NO as applicable:

Can you erect a natal chart from given data using the Equal or Placidus House Systems for any geographical location, using an ephemeris, proportional logarithms or a scientific calculator? **YES/NO**

Have you written a basic natal chart interpretation of between 2500 and 5000 words? This should demonstrate an understanding of the main themes, potential and conflicts in the chart. **YES/NO**

Have you studied the basic astronomy of the Solar System; the ecliptic, equatorial and horizon celestial coordinate systems; the Moon's phases; solar and lunar eclipses; the Moon's Nodes; retrograde motion of the planets? **YES/NO**

If you have studied some of these areas of astronomy but not others, please could you give details below?

Please note: Students who are judged by their tutor not have the requisite skills for the Diploma Course will be asked to transfer to the Foundation Course.
